## FAKE IT TO MAKE IT

### Fake It to Make It

AS GIRL GUIDES WE VOWED TO ALWAYS BE PREPARED. THESE DAYS THAT MEANS A VIGOROUS EXFOLIATION BEFORE AN AIRBRUSH TAN.

Featuring...You Spa and Salon

caters to the most demanding clientele—brides. As a result, they are ultra-meticulous. Be prepared to stretch, twist and twirl while the esthetician sprays every last inch of you. Don't be shy, their technique works. We couldn't see a single streak or patch, just a perfectly natural all-over glow.

And here's some troop leader advice: on your first visit, cut the time they suggest waiting before a shower in half (just in case).
